

## **VICE-CHANCELLOR HOLDS MAIDEN MEETING WITH NEW MEMBERS OF STAFF OF THOMAS ADEWUMI UNIVERSITY, OKO**

It was jubilation galore today as the University holds the first **STAFF ASSEMBLY** meeting specially called by the Vice Chancellor, Professor Kolade Luke Ayorinde to interact with the newly recruited staff into the University.

Thomas Adewumi University which was licensed in April 2021 commenced academic activities in May 2021 with few full time Academic Staff and Adjunct Lecturers. Following the rigorous process of scaling through the screening, Computer appreciation and Interviews, the Vice Chancellor met today with the lucky individuals who have secured appointment into various positions in the University. The positions filled were Lecturers of various grades, Technologists, Technical Staff, Administrative Staff and Medical Staff among others.

The programme which was anchored by the Registrar of the University, Mrs. M. M. I. Popoola was held in the University's Auditorium began with an opening prayer after which she welcomed members to the meeting. The members of staff were thereafter introduced by the Deans of the various Faculties and the Registrar. Apart from the Vice-Chancellor, Professor Kolade Luke Ayorinde, other Management Staff present include the Deans of Faculties of Computing and Applied Sciences, Basic Medical Sciences, Management and Social Sciences and the Acting Dean Student Care Services. Others are the Acting Bursar of the University and the Chief Civil Engineer and Head of Physical Planning Unit.

In his welcome address, the Vice Chancellor, Professor Kolade Luke Ayorinde rejoiced with the new staff for being found worthy to join the TAU Staff Family. He charged them to be ready to lay a good foundation on which the University can grow rapidly to become an institution of choice and one to reckon with. He enjoined all staff to be diligent, dutiful and ready to contribute to the growth and development of the University. He promised to maintain an open door policy and solicited for the support of all. He particularly urged all staff to abide by and be guided by the core values, moral principles and standards of the University which include Godliness, good conduct, respect for others, punctuality and regularity at work, professional and personal responsibility among others. He promised to see to the welfare of all staff as they discharge their duties and wished them a rewarding and fulfilling working experience in the University filled with the goodness and blessings of the Lord.

Some of the staff could not hide their feelings as they thanked the Proprietor and Management for the opportunity being given them and promised to discharge their responsibilities dutifully.
